Important information

1. Products sold in craft stalls must be handmade or uniquely imported.
2. Please keep in mind that open fires are normally not acceptable. Gas or electricity as means of heating is preferred. It is your responsibility to adhere to health and safety at your stall
3. **Electricity points - availability limited.**
4. **Placement on the festival ground depends on a large number of factors. PvR Gemeenskapskerk reserves the sole discretion relating to the placement of any stall or stand.**
5. Basic security and infrastructure will be provided, however, the PvR Gemeenskapskerk or committee will not be responsible for damages of any kind.

I have read this information and hereby accept the conditions. I will not hold Pierre van Ryneveld Gemeenskapskerk responsible for any losses or damages that may occur.
